About me: All of us at Cómpea Properties would like to welcome you to our lovely village which is located in the province of Malaga in the region of Andalucia in southern Spain. Our wish is that you enjoy your stay and that you will soon return to a new and wonderful home in the sun.

We are a well established and professional estate agency and know from experience how to live and work in the area. Our team is made up of a group of people from Cómpea and other countries that work together, each with their own ability, to help our clients.

So whatever type of property you are looking for we can help. We have an extensive

range of Penthouse Apartments, Duplex Apartments and Apartment Complexes for sale or to rent long term or for holiday rental. We also have lots of luxurious Country Houses and Villas to sale not to mention the Townhouses and Fincas or Cortijos.

You can browse here or go to our website to details. If you require more details just email us from this site using the contact form or call the telephone number listed. Please don't forget to mention that you saw the property on this website.

Whatever type of residential or commercial property you are looking in Competa or the surrounded area we will help you to find your ideal new home or property.
